AUTHORIZATION

I, the undersigned cardholder, do hereby authorize the use of my credit card to pay for any appraisal or related services ordered on my behalf by the lender in conjunction with my application for mortgage financing. This authorization also applies to any third-party service providers (such as Appraisal Management Companies or inspection firms) engaged by or through the lender to fulfill such services.

I understand that I will be obligated to pay for all services performed whether or not financing is obtained, or if the appraisal or related service is canceled prior to completion. This authorization and payment obligation shall apply to any other payment method (e.g., check, wire, ACH) used by me or on my behalf for appraisal or related services.

Furthermore, I acknowledge that appraisal assignments may never be conditional upon the final opinion of value. I also understand that certain factors may cause additional costs to be incurred in the course of this assignment (e.g., need for Comparable Rental Schedules or Operating Income Statements, additional inspections, appraiser reassignment, cancellations, or complexity).

I understand that my information will be kept on file and that this authorization shall apply to any of my financing applications with the lender.

I also authorize the use of my credit card to pay for costs related to any Interest Rate Lock/Float Agreement(s) executed in conjunction with my applications for mortgage financing.
